Luxury - 60min	£60

includes a brightening/ soothing mask and arm massage

Alkaline Skin Wash

The DMK Alkaline Wash system is a remarkable treatment for all areas of the face and body, designed to reduce fine, downy hair. This type of hair is very difficult to remove with other methods as the growth is usually dense and would take a long time to treat with electrolysis. It is also not suitable to be treated with IPL or Laser because it has no colour for the laser to target.

	Session
Lip	£37
Chin	£42
Lip & Chin	£75
Sides	£45
Cheeks	£50
Lower face (excludes neck)	£200
Whole face & neck	£252

Welcome back to a slightly different Beauty Box!

What has changed?

- We have reduced capacity, creating space
- Our teams have been fully trained on new safe working measures
- Our cleaning and hygiene procedure are more rigorous than ever

What hasn't changed?

- Our friendly team
- Exceptional treatments
- Our unique atmosphere

Electrolysis

Electrolysis is a safe, effective, progressive and permanent method of hair removing unwanted hair. It is the only truly permanent method of hair removal and is a treatment that is in great demand
